

**RICHARD SCHLESINGER****Producer**

As an executive producer/line producer for more than twenty years, Richard has been responsible for hiring A-list talent and crew, budgeting, long-term scheduling, and all financial decision-making necessary to deliver studio-approved American entertainment regardless of location.

Richard has extensive experience working with Americans in international situations and, in 2007, created Axes Entertainment as a production entity to serve American films shooting in France and/or using French elements to shoot around the world. Additionally, Richard has consulted on projects for Walt Disney Pictures, Paramount Pictures, Canal Plus (France), and Ruby Films (UK).
